

Dear Children

Classes are coming back to school. I know that this has been a weird and strange time. Everyone at school has missed you terribly and we can't wait to see you.

When you get back somethings will be the same and some things will be different.

Things will be a little different-

- **Not all children will come back at the same time will come back. To keep classes small (about ten in each class). You will come back for a week.**

- **If you have already been coming into school because the people who look after you are key workers nothing will change. You will now be in your normal class and with your class teacher.**
- **Your class will not be as big. Each class will only have about 10 children in it (no bigger)**

- **You will be with your normal class teacher in your classroom with some of your classmates.**

- Your small class will not play with other classes during the day. You will have your very own playtime and lunch time. You can still wave and say hello from a distance.

- We normally say sharing is caring but at the moment in school we are not going to share equipment. We can still share encouragement, and kind words.

Good Job!

- We will be washing our hands a lot and catching our coughs and sneezes.

CATCH IT.

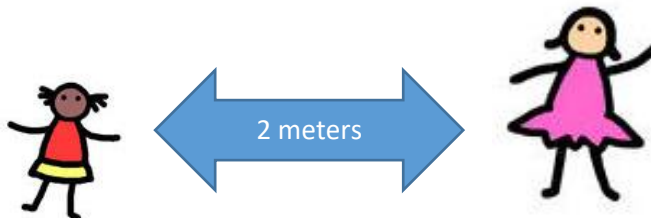

BIN IT.

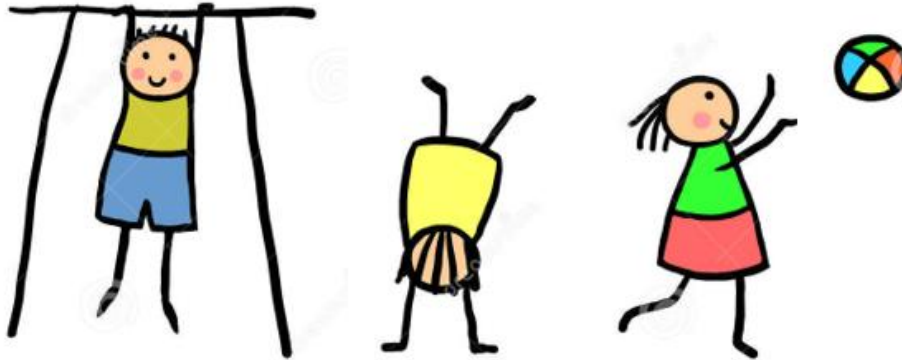

KILL IT.

- We will be trying to stay 2 meters away from each other.

Some things will be the same

- You will have playtimes

- There will be bagels

- There will be lots of lovely adults who will listen and support you with your work and play

We are really looking forward to seeing you on June the 3rd.

Have a lovely holiday next week

Yours Faithfully

Craig Robertson
