New start
time **8:45 pm**
all classes

Breakfast
club new
start time
7:45 am

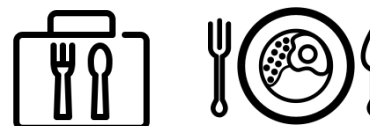

New improved Playtimes

We have two lunch breaks.

- One for the younger children
- One for the older children

Your child will share their playground with one other class only. This will stay the same throughout the year so they get to know the other children on their playground really well.

The play equipment is being improved to support better and more collaborative play.

Lunch time

The number of classes in the hall will be dramatically less than previously. The hall will be calmer and children will have more space and will have longer to enjoy their meal.

New End
time **3:00 pm**
all classes
