

Berrycoombe Primary School

Newsletter

December 2020

Dear Parents/Carers

We are sending out all the home learning resources today.

We expect to be back on Monday the 4th of January **however** if there is one predictable thing about this year it is that it is unpredictable. In case the Government announces changes to this plan over the holidays, we are sending home everything your child needs to be able to engage with online learning at home.

Some children and parents have requested physical packs as this is easier to manage. These packs have also been sent out today. Please keep these safe just in case.

Hopefully, and in all probability, we will all be back as expected.

Please read this letter carefully as it includes details of what to do if your child becomes symptomatic and tests positive over the holidays. Notifying us allows us to take all the proper precautions to ensure that everyone is safe.

Finally, I would just like to thank you for being a lovely and supportive group of parents and carers. You have really helped us keep our school community safe this term. You have supported your children brilliantly through a very difficult time. As a school I would like to say that we appreciate the job you do. I speak on behalf of the staff at this school to say that it is a privilege to teach your amazing children.

What to do if your child tests positive after school ends

If your child tests positive within 6 days of school ending (up to and including 24th December)

Please call Claire on **07713 499646** as soon as possible.

The school will then notify any families that need to be informed with further information.

Attached alongside this newsletter is letter from Cornwall Council with advice and guidance around Covid-19 and the Christmas Period.

Above all we hope you have a safe and healthy Christmas.

Term Dates 2020/21

You may have heard in the news about schools closing on Friday 18th December. We will not be closing and will remain open all day.

Berrycoombe Christmas

Have you checked out the Carols and Year 2 Play on our website yet?

The children have done a brilliant job learning, and practicing their songs for you.

Check them out at
