

Dear Parents/Carer

I would like to briefly address the incident on Friday that took place between two parents/carers. Clearly their behaviour was unacceptable. Both individuals have been spoken to by the police and both have apologised for their conduct. The school has also taken additional measures to ensure that this does not reoccur and I apologise to the parents and young children who witnessed the incident.

Craig Robertson- Headteacher

### Request for books

Have you got any spare children's books? Possible books your children have grown out of? We would dearly love them for our breakfast clubs book nook. Any donations will be gratefully received. Please hand them into Claire our PSA on the gate or down in the office.

### Red Nose Day

  
THANK YOU  
for supporting Red Nose Day

As a school we raised a brilliant, £154.

### Sustrans Big Pedal/ Parking

25<sup>th</sup> March-5<sup>th</sup> April 2019

Get set... we're taking part in Sustrans Big Pedal 2019, the UK's largest inter-school cycling, walking and scooting challenge. The challenge runs from 25 March to 5 April. It's free and we would love everyone to be involved.

#### **The details**

On each day of the challenge schools compete to see who can record the greatest number of pupils, staff and parents cycling, walking or scooting to school. You can let us know if you or whoever does the school run has cycled, walked or used a scooter by recording this at the gate in the morning.

It's a great way to get more of our pupils travelling actively to school and is a simple way to boost their physical and mental health.

#### **What's next?**

All you need to do is encourage your child(ren) to cycle, walk or scoot to school on as many days as possible during the event, and join them on their way. Don't forget this includes parking at Scarlet's Well and walking from there to school.

#### **Parking**

We are hoping that this will help to alleviate parking issues at the school gate and in the close vicinity of the school grounds as this has become very congested recently and we need to keep in mind that access to the school is required at all times for emergency vehicles. Please also remember that particularly at 8.50am and 3.15pm these are busy times and can cause stress for all, please be considerate and respectful to everyone and be aware of the safety of pupils, families and the local community. Parking is available at Scarlet's Well.
